Dear Colleague,

We are delighted to announce

BHIVA 'Best of CROI' Feedback Meetings for 2012

These meetings will provide an independent, unbiased and impartial review of the key presentations held at the forthcoming *CROI Conference* in Seattle, USA at the beginning of March 2012.

An experienced working party has been convened, made up primarily of BHIVA Executive Committee members, to review presentations and collate the most relevant slides and material for feedback to those working in the field of HIV medicine in the UK.

BHIVA will be convening five **Feedback Meetings** during March. The first will be held in **London** with subsequent regional meetings in **Gateshead, Haydock, Edinburgh** and **Birmingham**.

It is anticipated all events will be held either in the afternoon or early evening and will offer good networking opportunities, and include some refreshments.

Attendance at the Feedback Meetings will be offered to all free-of-charge and if you wish to attend any of the meetings, please register online at www.bhiva.org/bestofcroi2012

These Feedback Meetings have now become an integral part of the BHIVA calendar and we hope you share our enthusiasm for these important events.

Yours sincerely,

Professor Jane Anderson
Chair
British HIV Association (BHIVA)

Dr David Asboe
Chair
BHIVA Conferences Subcommittee
