### Stakeholder Response Proforma

Comment Number	Page Number	Line Number	Section	Comment [Insert each comment in a new row]
1.	General			BHIVA supports the specification
2.	13	4	2	Rapid transfer of acutely unwell people with HIV from around Wales to specialist units as needed is essential for good patient care
3.	20	1	2.9	Revise to 'newly diagnosed person with HIV' or some other language like 'person presenting with advanced HIV or potential AIDS'
4.	General			Ensure use of person-centred language throughout – please see: <a href="https://peoplefirstcharter.org/">https://peoplefirstcharter.org/</a>
5.				
6.				
7.				

Insert extra rows as needed

## Stakeholder Response Proforma

### Instructions for submitting comments

- Include page, line and section number of the text each comment is referring to.
- If you wish to make a comment on the whole document please insert 'general' in the page number and section column.
- Submit this template as a Word document (not a PDF).
- Combine all comments from your organisation into one response. We cannot accept more than one response from each organisation.
- Underline and highlight any confidential information or other material that you do not wish to be made public.
- Do not include medical information about yourself or another person from which you or the person could be identified.
- Spell out any abbreviations you use.
- For copyright reasons, comment forms must not include attachments such as research articles, letters or leaflets.
- We reserve the right to summarise and edit comments received during consultations, or not to publish them at all, if we consider the comments are too long, or publication would be unlawful or otherwise inappropriate.

**Responses to consultations may be made public – on the internet or in a report. If you would prefer your response to be kept confidential, please enter YES in the box**
