

BHIVA Science Scholarships

If you are planning to submit an abstract to the BHIVA Spring Conference 2022 you may be eligible to apply for a BHIVA Science Scholarship.

- Available for researchers and scientists wishing to attend the conference who submit an abstract that is accepted for oral or poster presentation.
- Up to 10 awards will be available to medical students undertaking research or to those studying for a PhD, MD or similar postgraduate qualification.
- **The scholarship will cover:**
 - Registration fee
 - A contribution of a maximum of £100 towards travel expenses,
 - Accommodation will be provided for a maximum of three nights

Applications are made by ticking the appropriate box when submitting abstracts online, indicating that you wish to apply for a Science Scholarship.

In addition, written confirmation is required of your student status and this should be outlined when submitting your abstract.

All applications must be received along with your abstract by **Friday 14th January 2022**. All applicants will be notified during the week commencing **14th February 2022** as to whether their application has been successful.
