App software for BHIVA guidelines

Simon Edwards
Mortimer Market Centre
BHIVA App software

Why?
Why?

- because we can!
- because BHIVA members would find it useful
BHIVA App software

Why?
BHIVA App software

How?

- Contract awarded to PODMEDICS
- HTML vs native
  - HTML: avoids coding for multiple OS and android distros (i.e. cost effective)
  - Can be made to behave like a native app
  - But is NOT downloaded and installed
To use.....

- www.bhivaguidelines.org
- iPhone: share -> add to home screen
- Android: bookmark -> add to home screen
BHIVA guidelines at your fingertips. Bookmark our new smartphone app! www.bhivaguidelines.org
